Dronfield Town Council, own and maintain eleven parks across Dronfield including Cliffe Park and Sindelfingen Park. Our parks are the perfect venue for a range of public and private events and are also used by the Town Council itself for a variety of community events throughout the year.

The key objectives of this policy are to;

- Ensure all events are run effectively and comply with relevant legislation.
- Ensure that hirers consider the health & safety for event attendees, the wider public and for those working at the event and that appropriate insurance is in place.
- Ensure that every effort is made to avoid damage to the park or open space and that, should damage occur, this is mitigated at the soonest possible opportunity at the expense of the event provider.
- Minimise and mitigate disruption to local residents and regular park users.

For many events, venue hire is free of charge. Events could include:-

- Community or Charity Fun days
- Birthday parties & large picnics
- Charity Music Festivals

Events can take a lot of planning and we strongly recommend that you allow yourself plenty of time from your initial enquiry to the event date.

For large events and sporting activities, you will need to provide more information to the Council <u>before the event</u>, the essential requirements for a fitness or coaching activity are (but not limited to):

- Public Liability Insurance to the minimum value of £5m cover (£10m if the activity involves children)
- Employee Liability Insurance (if necessary)

Approved by Council: July 2024 Minutes Reference: 093/24-25

- Disclosure Barring Service check/overview (DBS)
- Risk assessment (including Covid-19 secure measures)
- Relevant qualifications/certificates
- First aid certificate
- Price list
